BLUEY

© Ludo Studio

Orchard Toys has been a trusted name in educational games and jigsaws for over 50 years.

Our teacher tested range is designed to encourage learning through play and to support parents, teachers and childcare professionals as they guide children through their early years. Crafted to a high-quality and sustainably made from durable eco-friendly materials we are committed to producing quality and educational games and jigsaws that inspire young minds, fostering a life-long love of learning and play.

Baby and Toddler Range

We are excited to launch a new Baby and Toddler range, featuring two wooden puzzles, flashcards and a set of touch and feel jigsaws. The packaging has been designed in softer colours to differentiate it from our vibrant core range, whilst the products maintain the quality and educational values that are synonymous with Orchard Toys.

BLUEY

We are delighted to be introducing a range of Bluey games to our portfolio, bringing together our quality and experience in children's games, with the number two property in preschool toys.* The range comprises of three games all which relate to popular episodes of Bluey, presented in a new box size and format for Orchard Toys.
