Pocket Money & Summer Guide

Sales Hotline: 029 2036 3678

From its origin in 1985 as a regional wholesaler, Kayes of Cardiff has grown into a nationwide distributor, providing access to the largest selection of branded and character merchandise and pocket money toys to the independent trade. Reaching our 40th anniversary is an occasion we are all very proud of at Kayes, and we would like to thank all our customers and suppliers for helping us achieve such a huge milestone.

The partnership with Orchard Toys and appointment as Mattel's distribution partner to selected Toymaster and AIS members, means Kayes is now able to offer increased benefits to customers. We are looking forward to announcing the new addition to our portfolio in 2025.

Kayes works exclusively with leading brands, together with its partners to form the comprehensive portfolio distributed by the company. These include: Sohni-Wicke, Bruder, Playmonster, Halilit, Schleich, Brio, Ravensburger, Jumbo, Tomy, Casdon, Winning Moves, Basic Fun and Infantino.

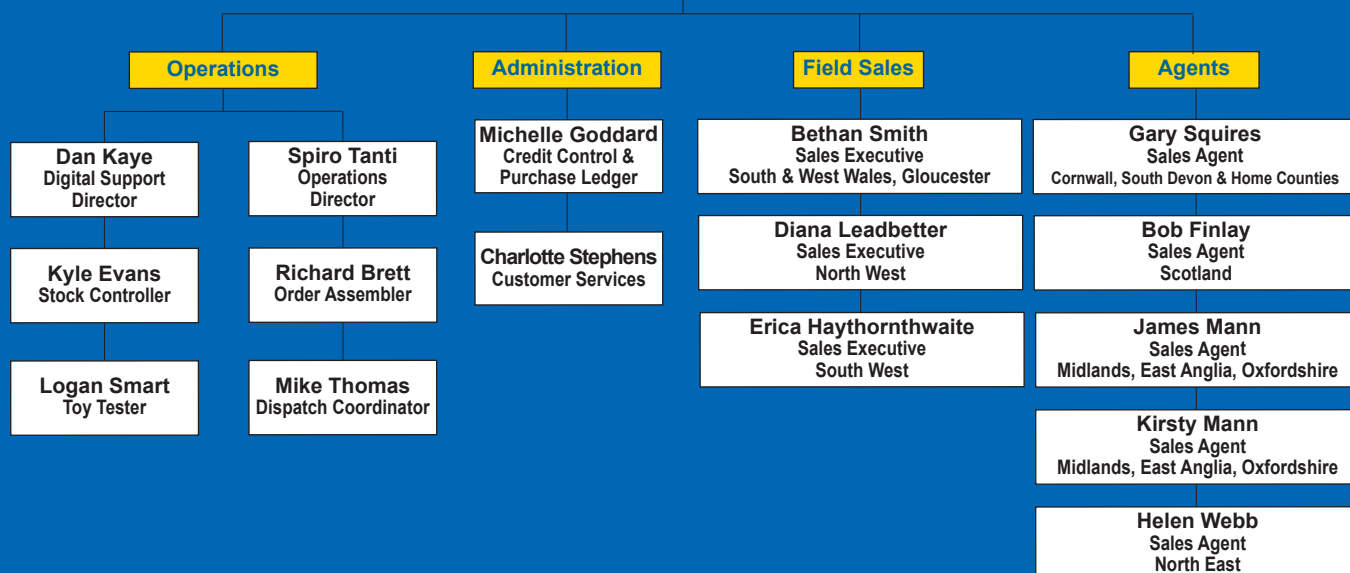

Established characters include: Thomas the Tank Engine, Peppa Pig, Bing, Hey Duggee Bluey and Paw Patrol along with leading product categories such as Lamaze, Britains Farm and Fisher Price form part of the selection that Kayes offer.

Kayes flexible operation, offering minimum quantities of large ranges make us an ideal one stop shop for the independent retailer. Our wide selection of quality toys are ideal for Santa's Grotto's gifts.

Kayes was awarded Wholesaler/Distributor of the Year at the Progressive Preschool 2022 awards and was a shortlisted finalist in 2023. This success wouldn't be possible without the continued and valued support from their customers and suppliers.
